

To our valued patients,

We are making sure you've heard about the ***Important Coronavirus Measures to Protect Yourself & Others***. To help protect yourself and others, remember to:

- Clean your hands often
- Avoid close contact
- Stay home & wear a facemask if you are sick
- Cover coughs & sneezes with a tissue and throw it away
- Clean & disinfect

If you have symptoms as outlined by the CDC, please contact the emergency room or your local health department.

Symptoms include:

- Fever
- Cough
- Difficulty breathing or shortness of breath
- Persistent pain or pressure in the chest
- New confusion or inability to arouse
- Bluish lips or face
- If you have traveled or came into close contact with someone who traveled to China, Iran, Italy, Japan or South Korea in the last 21 days

We are working relentlessly to obtain tests for COVID-19 and will update you as soon as they become available. We have increased our sanitization practices to protect you and our staff.

For up to date information, please visit:

- The Georgia Primary Care Association at <https://georgiapca.org/covid-19-novel-coronavirus-resources/>
- The CDC at <https://www.cdc.gov/coronavirus/2019-ncov/index.html>

If you have questions or need further information, please contact us at [coronavirusinfo@yourtownhealth.com](mailto:coronavirusinfo@yourtownhealth.com).

Thank you for trusting us as your healthcare provider.

Jon Wollenzien Jr. DBA, MHA  
Chief Executive Officer
